

The Creation Works / Hwel An Gwrians

Are you looking for rehearsal and/or development space ?

The Creation Works offers a beautiful, accessible, affordable, residential rehearsal space with everything you need to develop your next piece of theatre, dance or outdoor performance, in Par, Cornwall. Designed and run by performance makers, The Creation Works CIO is a charity dedicated to ***removing barriers to participation in the arts & culture for all***. We host residencies, workshops, masterclasses, development processes, industry showings & rehearsals.

The offer:

 9.75m x 11.6m studio

 Unbroken white 'back wall' ideal for film/photography

 Semi-sprung Junckers dance floor with under-floor heating

 Aerial rigging points built in to the steel frame

 Ceiling height pitched from 5m - 6.3m

 Theatrical sound & lighting, full blackout, lots of natural light

 Kitchen, Wet-room & WC

 4 bedrooms (2 x single, 1 x double, 1 x twin/double)

How we work:

  Users of the space cover the costs of their electricity & water usage

In addition, users of the space are asked to contribute to our communities of benefit through one or more of the below (by agreement):

 **Engagement work** with local community participants

 **Workshops / Masterclasses** for Cornish performance-makers

 **A donation** to The Creation Works CIO to support ongoing work with the community

 If you are a small scale dance or theatre company developing work for children / young people, perhaps you

can deliver a free performance to one of our local schools or youth organisations?

 If you are an international theatre company, looking to exchange skills, could you run a professional workshop for Cornish performance-makers? Can your work be shadowed?

 If you are a travelling creative writer or musician wanting to be inspired by a new landscape and its people, what can you offer in return?
